LAMBIR NATIONAL PARK (3 hours) code: LNP14

This half-day tour could be performed either in the morning or afternoon. The journey will normally take less than an hour. The Lambir Hills National Park is located along the Miri-Bintulu Road, about 32 kms from Miri city. This park covers an area of 6,952 hectares and was gazetted as a national park on 26th June, 1975. Besides the extraordinary species-rich forest, Lambir Hills National Park, due to its rugged terrain, boasts of a number of small but beautiful waterfalls which attract many visitors especially during weekends and holidays. Upon arriving, register at the Park HQ then, proceed onto scenic Latak Trail which boasts of 3 waterfalls. The third waterfall is about 25 meters high and plunges into a large deep pool with sandy poolside. There are 4 summer huts located around the pool where picnic lunch will be served, public toilet and shower facilities are available too. The activities at this pleasant spot are swimming, sunbathing and picnicking around the pool.

After the tour, will drive back return to Miri City.
